

# The Top 10 Reasons MAI Is The Right Choice For Aviation Marketing:

10. We know a Lear Fan is not a Bill Lear groupie.
9. Our name is an acronym, we know how aviation loves acronyms.
8. Our office is on an airport – so talk real loud when you call.
7. Our ideas are as big as the watches in this industry.
6. We understand the concept of suck – squeeze – pop – phooey.
5. We know that Quiet Birdmen aren't stealthy pilots.
4. We actually know what GPWS, TCAS and FMS mean.
3. We know an STC is not something you treat with antibiotics.
2. We love the smell of Jet-A in the morning.

And The Number 1 Reason MAI is the right choice for aviation marketing:

1. The only aviation education you should have to pay for is your kid's.
